For purposes of this warranty, a “Residential Purchaser” shall refer to a single-family residential homeowner and a “Commercial Purchaser” shall refer to any Purchaser other than a single-family residential homeowner.

Except as set forth in the exclusions, limitations, and restrictions set forth below, Manufacturer warrants to a Residential Purchaser that for the lifetime of the product (20 years for a Commercial Purchaser), the Products will, from the date of the original purchase, be free from material defects in workmanship and materials that (1) occur as a direct result of the manufacturing process, (2) occur under normal use and service, (3) occur during the warranty period and (4) result in splitting, cupping, splintering, blistering, peeling, flaking, cracking, rotting, or structural damage from termites or fungal decay.

**Exclusions from Warranty Coverage:** Manufacturer does not warrant against and is not responsible for, and no implied warranty shall be deemed to cover, any product failure, product malfunction, or damages attributable to: (1) improper installation of the Products and/or failure to abide by Manufacturer’s installation guidelines, including but not limited to improper gapping; (2) failure to adhere to the care and cleaning guidelines available at <https://www.timbertech.com/resources/care-cleaning/>; (3) use of the Products beyond normal use, or in an application not recommended by Manufacturer’s installation guidelines and/or local building codes; (4) movement, distortion, collapse, or settling of the ground or the supporting structure on which the Products are installed; (5) installation on improper underlying or adjacent support foundation system(s); (6) any act of God (such as flooding, hurricane, earthquake, lightning, etc.), environmental condition (such as air pollution, mold, mildew, etc.) or staining from foreign substances (such as dirt, grease, oil, etc.); (7) variations or changes in color of Products; (8) normal weathering of surfaces; (9) improper handling, storage, abuse or neglect of the Products by Purchaser, the transferee, or third parties; (10) exposure to, or direct or indirect contact with extreme heat sources, such as, but not limited to, fire, hot ashes/embers, fire pits and/or reflected sunlight from low-emissivity (Low-E) glass, which may damage the surface of the Product, distort the Product, and/or cause the Product to fade; (11) fabrication or remanufacturing by third parties; (12) any fasteners or other components not supplied by Manufacturer; or improper application of paint or other surface chemicals not recommended by Manufacturer in writing, including, without limitation, chemicals for ice removal or strong solvents such as thinners; (14) abrasions, cuts, scratches, nicks or dents or other aesthetic conditions; or (15) ordinary wear and tear.

The Products are intended for decks, boardwalks, and piers. Manufacturer does not recommend the Products for all end use applications. Purchaser is solely responsible for determining the effectiveness, fitness, suitability, and safety of the Products in connection with their use in any particular application. Building code regulations vary from area to area. Purchaser should consult local building and safety codes for specific requirements, including before installation of structures with specific load-bearing capacities and for other zoning code requirements.

**Obtaining Warranty Performance:** If Purchaser discovers a defect in any of the Products covered under this warranty during the applicable warranty period, Purchaser must, within thirty (30) days from the discovery of the alleged defect, but no later than the end of the applicable warranty period, notify Manufacturer. Purchaser may notify Manufacturer of a warranty claim using TimberTech’s online warranty claim form process available at <https://www.timbertech.com/about-warranties>. Alternatively, Purchaser may submit a warranty claim by contacting Manufacturer in writing at the following address:

TimberTech  
894 Prairie Avenue  
Wilmington, Ohio 45177 Attn:  
Claims Department

Purchaser must include in this notification proof of purchase, a picture of the defective Product, and a statement explaining the defect. Manufacturer may request additional information. It is a further condition of this warranty that, at Manufacturer’s direction, Purchaser shall (1) permit Manufacturer inspect the claimed defect and test the Product, its installation, and the environment in which it was used prior to removal; and/or (2) send Manufacturer a sample of the defective Product.

After reviewing all information, Manufacturer will make a determination regarding the validity of such claim. If Manufacturer determines Purchaser’s claim is valid, Manufacturer will, at its option, either repair or replace the defective Products or refund the portion of the original purchase price paid by Purchaser for such defective Products (not including the cost of its initial installation). In the event of repair or replacement, the original warranty shall apply to the repaired or replaced portion of the Products and will extend for the balance of the original warranty period. If replacement material is provided, it will be as close as possible in color, design, and quality as the replaced material, but Manufacturer does not guarantee an exact match as colors and design may change.
